ERASMUS+ STRATEGIC PARTNERHIP PROJECT  
AGREEMENT NUMBER – 2015-1-SE01-KA202-012255

Dear Partners and other stakeholders in the Tools for Skills project, first of all I want to thank you for the good start of the project. This is the second newsletter of the project which is supposed to be issued every third month of the project. The purpose is mainly to give an overview about what has been done in the project so far and a reminder to the project partners what has to be done in the nearest future. It can also be used to inform other stakeholders, for example a steering committee, about the progress of the project.

The code in brackets, for example(M2) refers to the activity in the action plan

1) The second partner meeting (M2) was successfully held in Münchhof, Seesen, Germany 14-15 April 2016 with participation of all partners.

2) A new leaflet in eight languages describing the project has been produced in 2000 copies (A2). The logo and the website [www.toolsforskills.eu](http://www.toolsforskills.eu) has been updated. . There has been a minor redesign of the website [cd.dicton.net](http://cd.dicton.net) in order to include the “Teacher training”

3) A lot of effort has been put into the work of updating the glossary (A11) and the training tool, but still some things remain to be done, and all partners are involved in this work

4) The electronic version of the books WIHT 1 and 2 will be published and downloadable very soon from [www.mieab.se](http://www.mieab.se)

5) Press releases (A5) and mass email campaigns (A6) can be done at several occasions and at times that are most suitable for the partner

6) Reserve 5-8 September for a meeting in Sofia, Bulgaria (M3). Give me names of participants so I can order flight tickets for you

7) The Teacher training that was scheduled for June is postponed until March 2017 in Munchehof, Germany, (C1). The people attending this course should be the ones that are responsible for the teachers training in the home countries, which means that at least three people/partner (two from Spain and Greece) will attend this course

8) There should be a draft version ready of the following parts of the Teachers manual by the 1/9/2016

Part	Responsible	
I. Introduction	SE	Finished
II. Interdisciplinary team teaching	BG	Finished
III. How to use ECVET	FIN	In progress in cooperation with Sweden
